

UNIVERSITY OF NEW ENGLAND

# Portland Campus for the Health Sciences

Welcome to UNE! A suggested walking route with highlighted stops around campus is listed below. Please feel free to explore, and enjoy your time on campus.

## 1 FINLEY RECREATION CENTER

At the Finley Recreation Center, you'll find a gymnasium, fitness center, group exercise room, and complete locker facilities. We offer a variety of recreational, wellness, and fitness programs that are held here, as well as intramural sports.

## 8 PARKER PAVILION

Parker Pavilion links Proctor and Blewett Halls, and provides spacious communal spaces for studying and socializing. Parker Café offers convenient grab-and-go meals, including breakfast, lunch, and Starbucks coffee. Explore the Westbrook College of Health Professions (WCHP) Lecture Hall, which features smart boards and other interactive technology.

## 10 PROCTOR HALL

Proctor Hall hosts resources for UNE's graduate community. On the second floor, the Student Academic Success Center offers tutoring and fosters academic growth. The Office of Graduate and Professional Student Affairs, located on the lower level, promotes campus engagement and wellness. All of these resources are curated for our graduate students.

## 12 ALUMNI HALL

Opened in 1834, Alumni Hall stands as the oldest building on the Portland Campus and is rich with history. The lower level offers 24/7 study spaces and a cozy fireplace for chilly days. University events are frequently hosted here, and Alumni Hall is home to the Office of the President.

## 13 ABPLANALP LIBRARY

Our library features three floors of study space ranging from collaborative or group environments to silent study. Students have access to required textbooks, physical books, and e-books, as well as databases and other online resources available through the library, whether they are on campus or engaged in clinical experiences off campus.

## 17 ALEXANDER HALL

Alexander Hall is home to our Nor'easter Café and Wing Student Lounge. Here, students can take breaks in between classes, grab lunch, or study. You may also find our "skills labs," Motion Analysis Lab, and University Bookstore on the lower level.

## 21 GIRARD INNOVATION HALL

There are classrooms, study rooms, and a large event space here. Relax by the fireplaces or heat up your lunch in the student kitchenette.

## A GRADUATE ADMISSIONS

If you're touring on a weekday, stop by our Office of Graduate Admissions & Recruitment and say hello! Located on the second floor of Girard Innovation Hall, our office is open Monday-Friday from 8 a.m.-4:30 p.m.

## B INTERPROFESSIONAL SIMULATION AND INNOVATION CENTER (ISIC)

Located in Girard Innovation Hall, ISIC features seven simulation suites with adjoining, fully-equipped scenario, control, and debriefing rooms. Students experience patient care using high-fidelity patient simulators, patients actors, and virtual patients. Modeled after hospital and clinical environments, ISIC enhances a student's ability to practice in any healthcare setting.

## 24 HAROLD AND BIBBY ALFOND CENTER FOR HEALTH SCIENCES

This state-of-the-art facility will be the newest addition to UNE's Portland Campus, with completion slated for late 2024. Serving as the hub for the College of Osteopathic Medicine and the Center to Advance Interprofessional Education and Practice, this new space demonstrates UNE's ongoing commitment to excellence in medical and health professions education.

Let us  
know you  
were here!
